

# Swedish Mining Innovation PhD student network Kiruna Workshop: Society and Mining – How do Industries, Civil society and Government interact?

Second circular, 2025-03-14

Dear members,

We are excited to announce that registration is now open for the first workshop of 2025: **Society and Mining - How do industries, civil society and governments interact?**. We will go on a tour from Luleå to the Kiruna area from 23<sup>rd</sup> to 25<sup>th</sup> of April listening to several interesting talks from different perspectives and visiting mines, businesses, and organizations active in the region.

The workshop will begin in Luleå on the 23<sup>rd</sup> of April. If you need to travel to Luleå, we recommend that you arrive the day before (22<sup>nd</sup> of April). We will book a hotel room for you on that night. If you intend to arrive early, it is very important that you indicate this in the registration.

If you are travelling to and from Luleå and need to book a flight or train **please contact Filip, Nils and Francisca before booking**. The option of booking return flights directly from Kiruna is also possible. Swedish Mining Innovation will cover your tickets and we will give you instructions for booking with NEX.

All transportation from Luleå to Kiruna and back to Luleå is included. We will be staying two nights (23<sup>rd</sup>-24<sup>th</sup> and 24<sup>th</sup>-25<sup>th</sup>) in the Scandic hotel in Kiruna. We have booked individual rooms for all participants.

Fika, lunch, and dinner are included, except for dinner on the 22<sup>nd</sup> (if you arrive early) and the 25<sup>th</sup>.
